

# A Little Faith

♩ = 84

Stan- ding on the edge of fate whe- re will it lead?

Will I get pushed off the edge or can I stand in faith?

Qui- et my bea- ting heart. Will I let the roa- ring waves speak loud- er or the

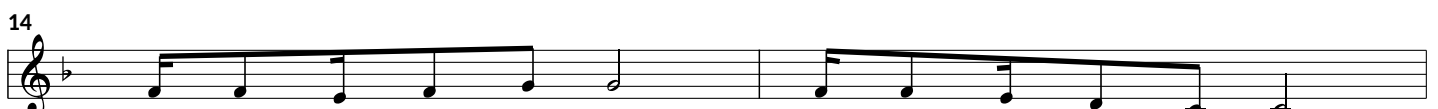

voice who calms the storm? And step out u- pon the wa- er,

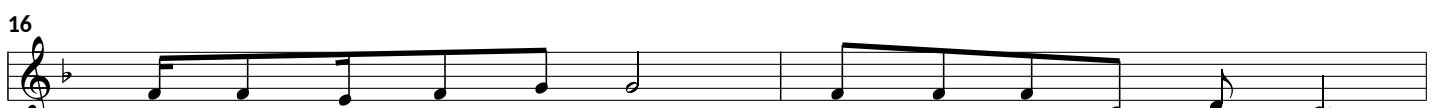

streng- then- ing my spi- rit and stan- ding strong in faith. Sing- ing with my heart,

"Great is Your faith- full- ness" Great is Your faith- full ness

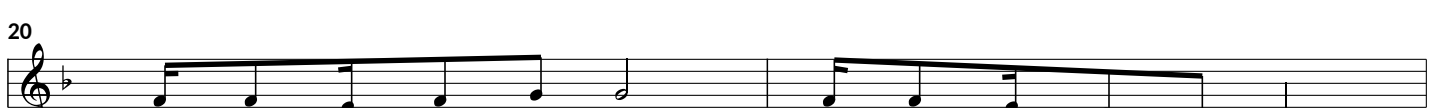

Great is Your faith- full- ness Great is Your faith- full- ness

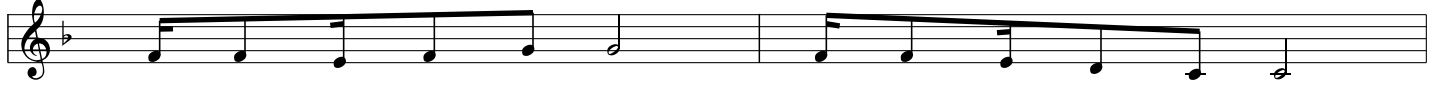

Great is Your faith- full- ness Stand- ing at the cross- roads

what will my heart say? I will shout at the top of my lungs,

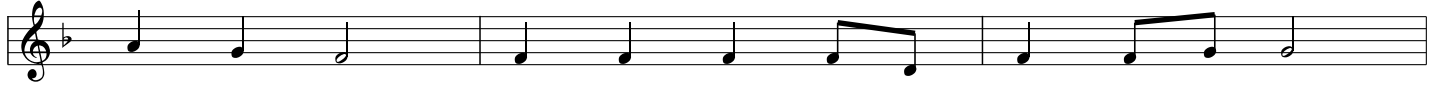

"Great is Your faith- full- ness!" Great is Your faith- full ness
