I want to go back to where I was in ye- ster- year, to

feel the wind u- pon me, His Spi- rit draw- ing near. The pow- er of His love, the

woo- ing of His heart, the draw- ing of His pre- sence stirs wi- thin my heart. I

want to fall in love a- gain, to feel His hand in mine, ex- per- i- ence His pre- - sence, to

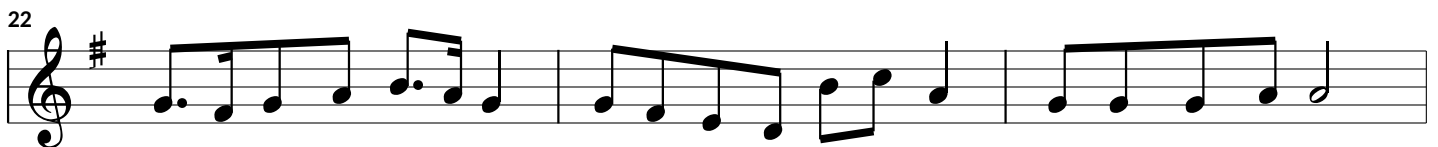

see be- yond the veil. I hear Him whis- per, feel Him be- con His in- vi- ta- tion

to come close, to re- co- nnect, to draw near. Ho- ly re- ju- vi-

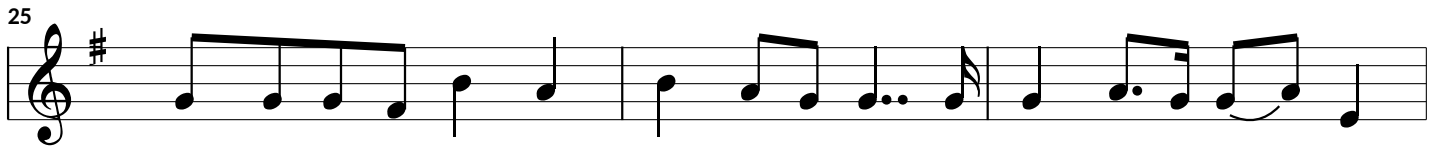

na- tion flood my soul re- charge my spi- rit, re- new my mind. I

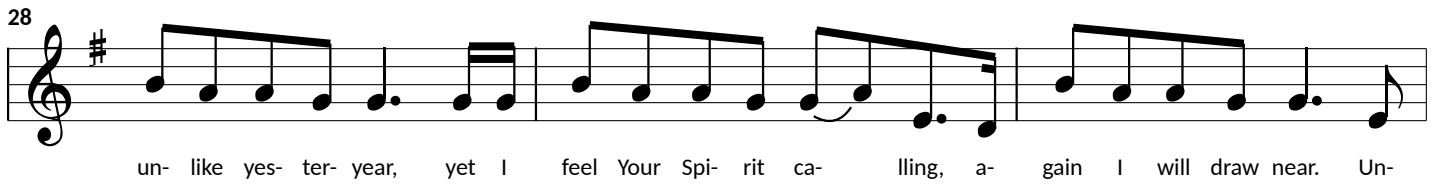

want to dance with You a- gain Tin- gle with Your e- ner- gy cour- sing through my veins.

choose to walk with You a-gain, to re-kin-dle the flame and go

dee-per in Your glo-ry, Your good-ness, Your pa-s-sion, Your heart.

E-ver grow-ing in me, un-dy-ing flame, thoughts of You con-sume me.
