

Water In The Desert

Natalie J Ledford

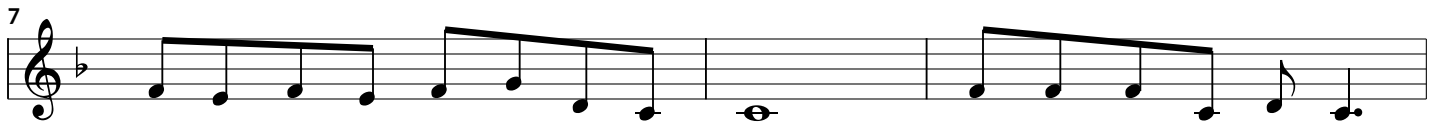

♩ = 100

Have you e- ver seen stan- ding wa- ter in the de- sert? A beau- ti- ful, rare

sight to be- hold. Lush green plants. Cac- tus with fruit.

Wi- ld- flow- ers dan- cing in the breeze. Stan- ding pools of wa- ter.

Lush green plants. Wi- ld- flow- ers dan- cing. Wait, where am I?

Am I mis- ta- ken? Once a drear- y de- sert, once a ba- rren land. Once the

Fa- ther comes, re- fresh- es, brings the bi- tter in- to sweet. A sign, a pro- mise. A

new be- ginn- ing. From death to life, like wa- ter in the de- sert bring- ing

life and health and peace.
